

Hedleys

College

Foundation for Work

This specialist further education programme is designed to focus on the world of work and the skills needed to be successful in this area.

Within the curriculum on a weekly basis students access a broad range of external vocational placements.

These are tailored to suit individuals taking into account their interests, skills, needs and aspirations. A progression route Hedleys Supported Internship Learning Programme.

Students can be offered a bridging programme in conjunction with a local mainstream college.

We welcome applications from young people aged 16 – 25 with moderate to severe learning disabilities who can require an integrated therapy approach within the curriculum. Students will be assessed as working from Entry Level 2 up to Level 2.

Example timetable:

- Vocational Skills
- English and Maths
