FOUNDATION

Hedleys

College

Independence
and Enterprise

This specialist further education programme is designed to further develop students functional, domestic and community independence as well as basic enterprise skills.

Progression routes would be Hedley's College Towards Employability and Foundation for Work Learning Programme.

Students can also be offered a bridging programme in conjunction with local mainstream college.

Percy Hedley
FOUNDATION

We welcome applications from young people with moderate to severe disabilities, aged 16 – 25 who may require an integrated therapy approach and medical support within the curriculum.

Students benefit from high levels of specialist support.

Students will be assessed as working from entry level 1 and above.
