Specialist Supported
Internship

This specialist further education programme is partially based at our tried and trusted external employers.

The programme includes on-the-job training supported by our supported internship coordinator and job coaches. Specialist support from the college therapy team and personal care packages are available where required.

This programme offers students the opportunity to gain the skills and knowledge needed to make a successful transition in to supported, paid or voluntary work.

We welcome applications from young people with moderate to severe disabilities aged 16 – 25. Students will be assessed as working from Entry Level 2 up to Level 3.

Example timetable:

- Maths and English
- External Work Experience Placement and Travel Training
- Vocational Skills Training
