

Pantosaurus Guide for Parents

Along with many schools across the country, we use the NSPCC Pantosaurus rule to help to teach children about keeping themselves safe. With the help of the friendly Pantosaurus dinosaur, adults, both at school and at home, can teach children about how to stay safe from abuse.

At a level appropriate for their own age, all children learn about how the parts of their bodies (which are covered by their underwear) are private parts and are not for other people to see or touch. They will learn how important it is to talk to someone about anything which upsets or worries them.
