

# DO YOU CARE FOR A CHILD WITH ADDITIONAL NEEDS?

## **FREE Understanding Sensory Processing Online Workshops**

**A chance to understand sensory processing and how it  
impacts on how we feel, behave and learn.**

**Explore strategies to support your family.**

- learn more about sensory processing and sensory integration
- reflect on your child's sensory needs, and your own, and how these might change over time
- consider the impact of sensory needs on other family members/care givers and in different environments
- identify new approaches to supporting the challenges and opportunities of sensory issues
- explore how you can obtain further help and guidance if you need it
