**Over 100
stall holders** -
employers,
education and
training providers
and Universities

My future: My choice

St James Park, 15th February 2023

Newcastle City Council and partners have created a new careers event, **My future: My choice**, to support the young people of Newcastle to make informed vocational choices.

This new event will showcase the fantastic opportunities available within the city for all ability groups and will give young people equal opportunity to access employers, training providers and support organisations. Year 9, Year 11, sixth formers, college students and their parents are all invited to attend.

The event will feature stall holders and speakers covering general and sector specific options. This will include the city's colleges and universities, and employers from a variety of sectors including green renewable, public services, hospitality, engineering and more.

This event will also have a dedicated zone for young people with Special Educational Needs and Disabilities (SEND) with a host of organisations attending and offering practical and interactive activities and presentations to advise and support young people and their families when preparing for adulthood.

Attendance for Years 9 and 11 will be managed via their school. Places for sixth form, college students and their parent's need to be booked in advance.

For further information about the event and to book to attend visit: www.newcastlecareers.org.uk
