PURPLE

The Percy Hedley Foundation has delivered over 30 million hours of care, education, nursing and therapy over the last 70 years.

In celebration of empowering people with disabilities over 70 years, we are asking people across the North East to get creative with the colour purple on Friday 19th May.

This could mean wearing purple clothes, having a purple-themed event like a bake sale, or maybe all staff dye their hair purple. The possibilities are endless!

If you want to support us with something different, what about a sponsored car wash, donate an hour's pay or take part in a physical challenge, like an all day team cycle challenge.

Whatever you decide to do on Friday 19th May 2023, every penny raised will support the children and adults we empower every week and their families.

Did you know it costs the Foundation;

- £28 an hour for therapy
- £350 for an adapted surfboard lesson for four students
- £25,000 for a residential experience for 25 students
- £50,000 for a new adapted minibus

We want to continue pushing the boundaries and ensuring every one of our members gets access to every possible opportunity and your support helps us achieve this every year.

We would love your help encouraging as many people as possible to get involved, so spread the word to parents, teachers, friends and family, and together we'll paint the toon purple.

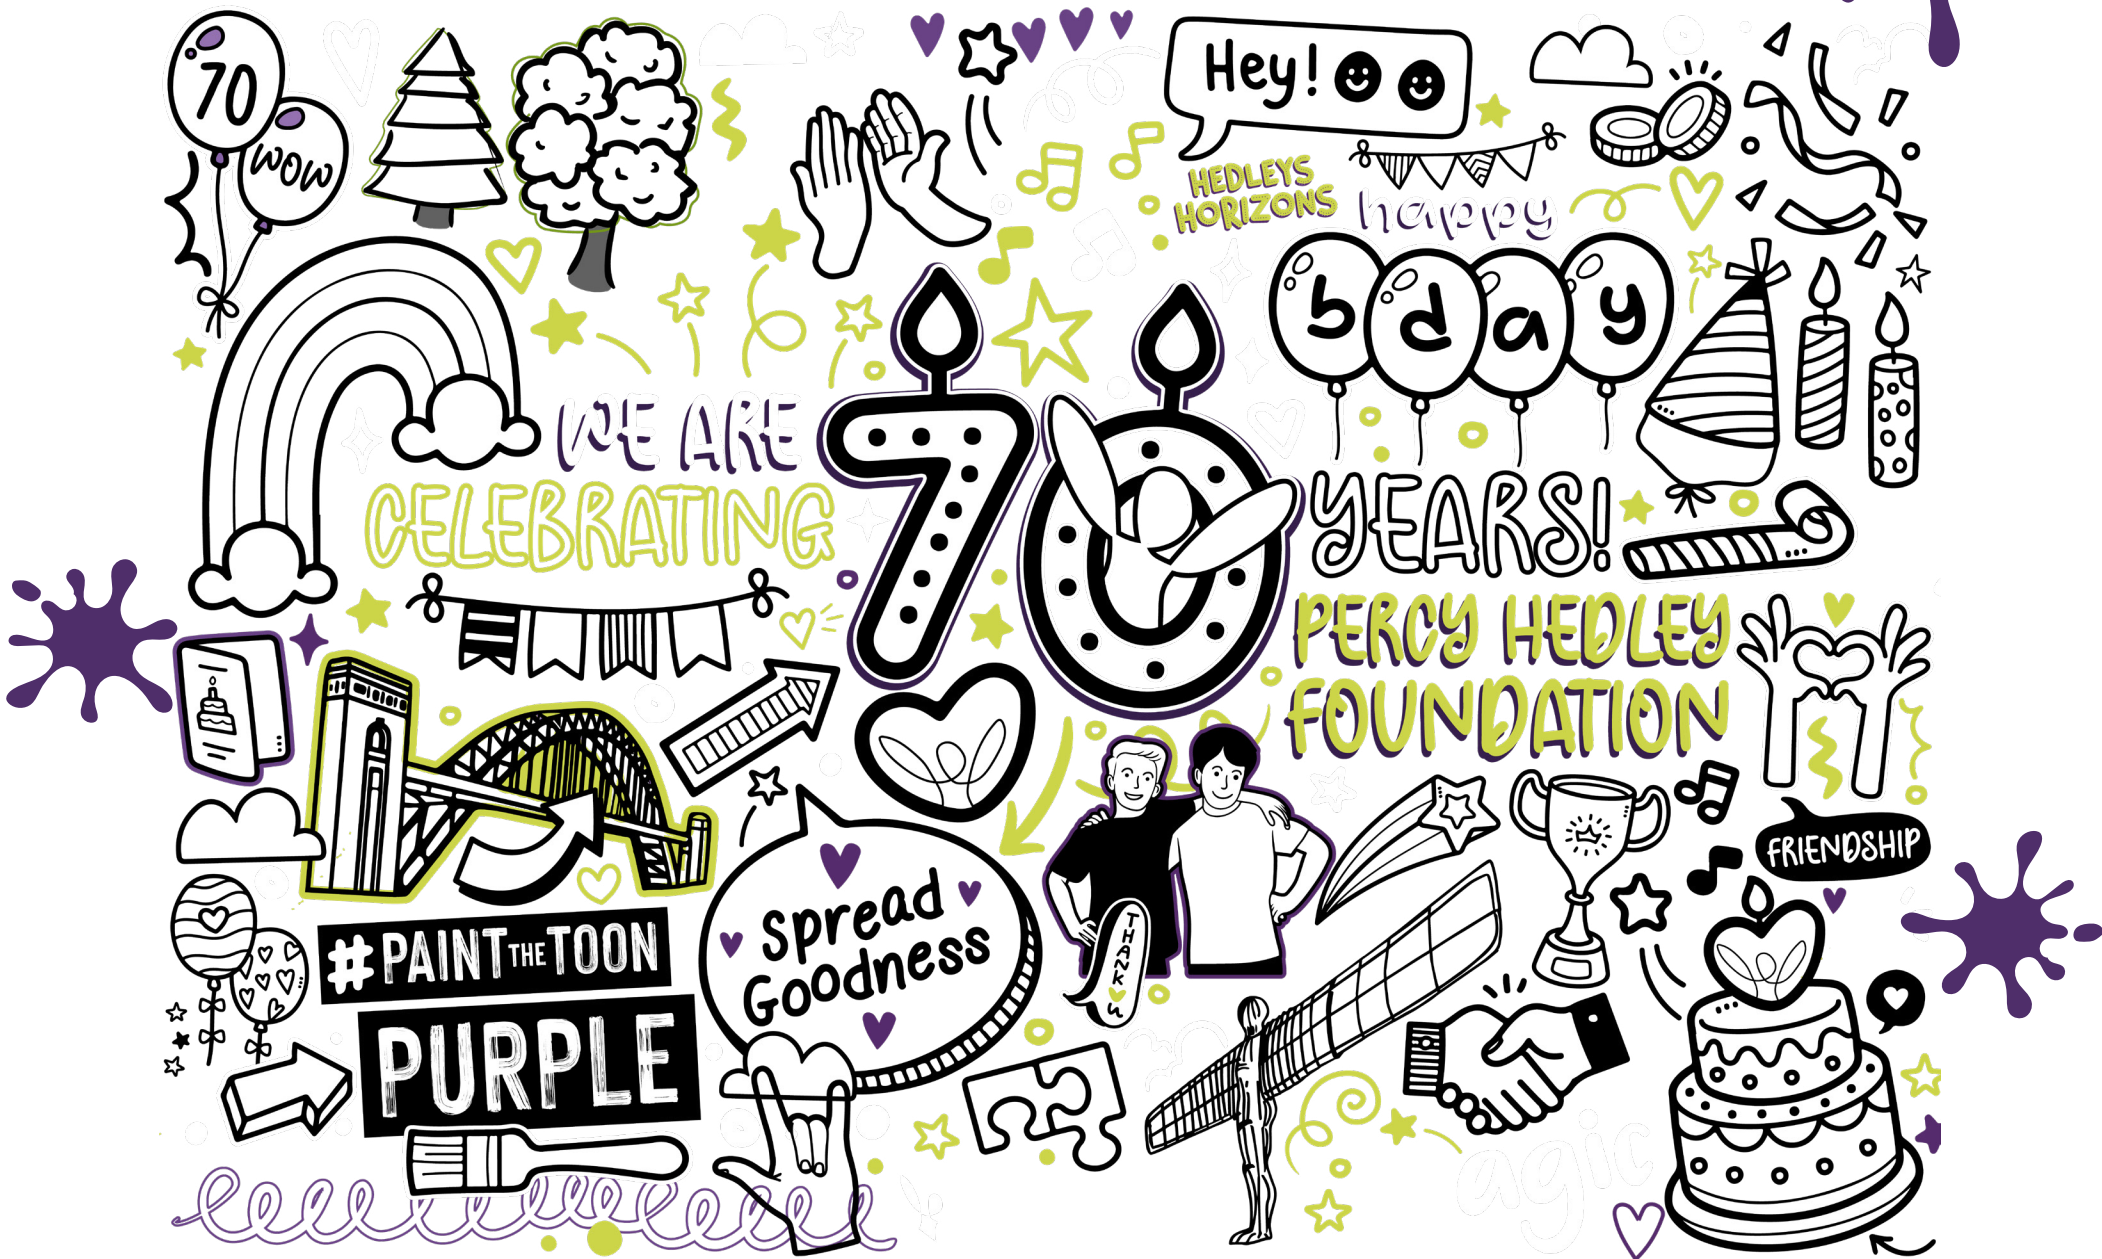

Register your business, club or organisation for our paint the toon event here:
percyhedley.org.uk/paintthetoon/

Date: 19/05/23

EVENT IDEAS

BAKE SALE

One of the tastiest ways to raise money for charity that's also good fun to prepare for. You can bake a variety of cupcakes, chocolate goods and scones with a twist of purple, to sell for a suggested donation of £2 each.

COFFEE MORNING

A more relaxed way to fundraise can be a coffee morning, popular with clubs, churches and parent groups. A coffee morning can be as chilled or as fun as you'd like by including more activities for a donation, such as a purple dress code.

CHARITY WIG DAY

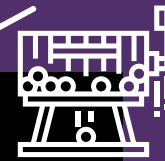

Why not try something a little different by holding a charity wig day (purple of course). You could even make it into a big competition to see who can create the craziest purple hair, or maybe someone will go as far as to starting a sponsored shave!

WORK QUIZ

Brits love nothing more than a good old quiz so get your group names at the ready. To keep it on theme all the questions could be related to the colour purple, or even throw in some Percy Hedley facts. It's the perfect team building way to fundraise.

RAFFLE

One of Britain's favourite ways to fundraise, that you can find at almost every bake sale, summer fayre and Christmas party – the raffle. A quick way to fundraise money for charity, and what's even better, you can make the majority of the prizes purple.

CAR WASH CHALLENGE

As the weather is warming up, a great way to fundraise can be a sponsored car wash. You could offer this to work colleagues, your neighbours or within your local community. With some tunes blasting, it can be a really fun experience while making a difference to charity.

WEAR PURPLE DAY

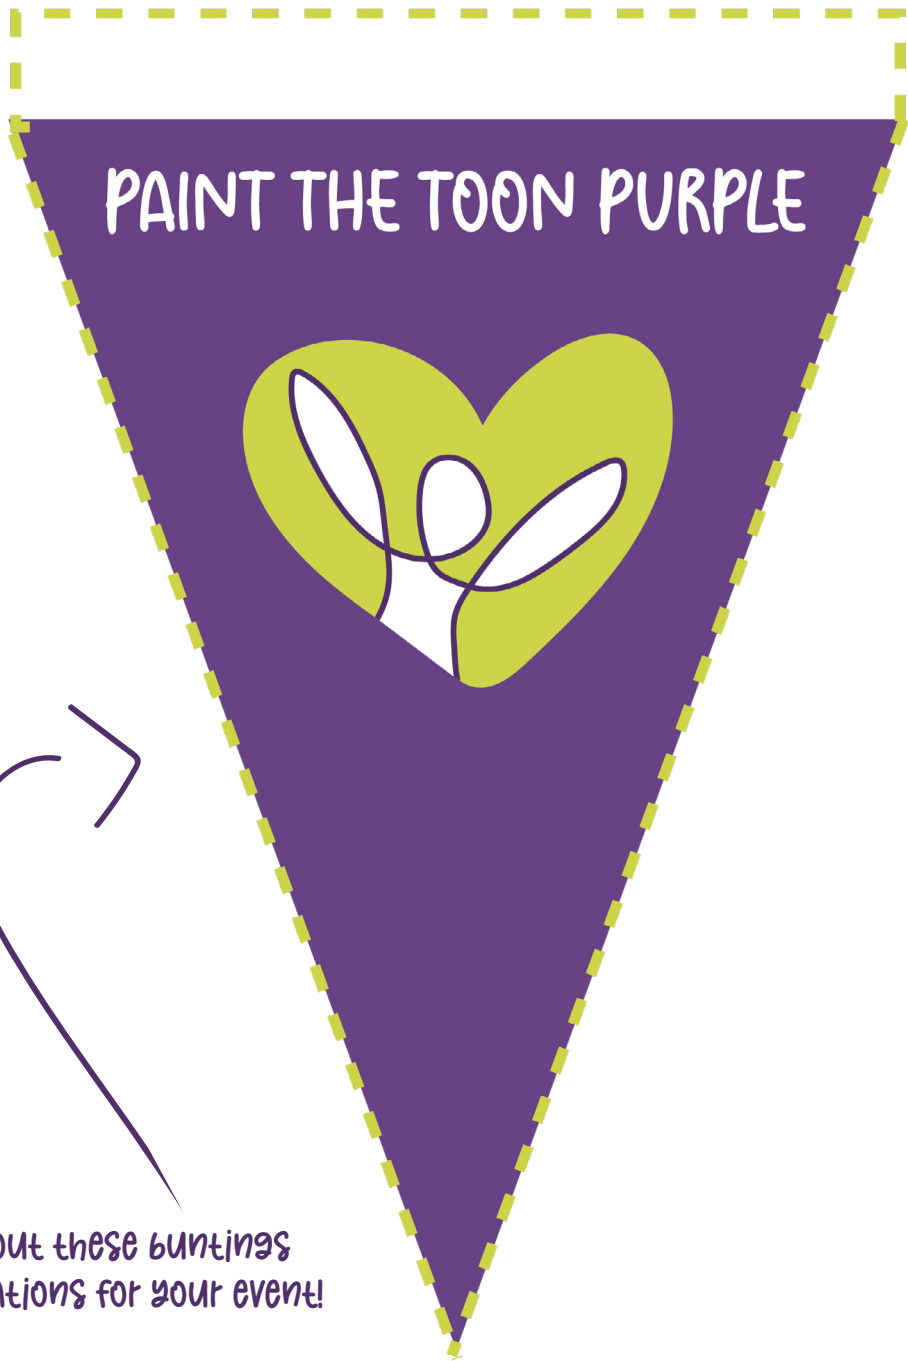

A fundraising classic... you can ask your school, group, family or friends to wear purple for the day for a suggested donation of £2 each. It could be as simple or as crazy as you like with fun purple themed characters and costumes! It's also great to add in alongside any other fundraising event!

CYCLING CHALLENGE

The brighter nights and warmer weather makes it perfect for you to get outdoors for fundraising, so why not take a look at a cycling challenge, such as cycling 100km or the length of Hadrian's Wall. You don't need to own a bike to do this, you could also go to your local gym and do distance on an exercise bike!
