Calvert Trust - Keswick

17th - 21st February

Monday 17th ... We arrived at "The Calvert Trust" about 1.30pm, then we met our instructors for the week. They talked us through the safety rules for our stay and explained how the week would run.

After finding our rooms and unpacking it was time for our evening meal where we enjoyed a 3 course meal!

Finally, time to relax in the games room chatting and listening to music.
